Subject: 404 assumption info
Attachments: 404 assumption - draft talking points from OW.docx; 404 assumption presentation.pptx

Mary – Kathy Hurlb of the Office of Water is our programmatic POC on 404 assumption, and she sent me talking points and a suggested PowerPoint (see attached). My staff and I can answer questions, but Phil has more knowledge and history on 404 assumption than anyone else in the Region. If you'd like us to set up a briefing before the Commissioners meeting, or if you have any questions please let me know. Tom
